WELCOME TO HARROW BANGKOK

Welcome to Harrow Bangkok, the original Harrow International School in Asia and now mature and thriving with 1,600 students on our green 35-acre site in North Bangkok, Thailand.

All that we do in our School reflects our mission statement, that all of our students will develop as leaders contributing to a better world, realise their academic potential and succeed at the university of their choice. We focus on developing in our young people the attributes and desires that will make a positive difference to the communities they encounter, now and in the future.

Harrow International School Bangkok is located in North Bangkok, conveniently close to Don Muang International Airport. The School operates on a spacious campus, and we are celebrating the creation of a host of new facilities, and the redevelopment of existing buildings.

Sporting facilities include the new multi-purpose athletics centre, called 'The Den', plus a large air-conditioned Sports Hall, a Gymnastics Hall, a swimming pool, a fitness suite, a climbing (bouldering) wall and six recently refurbished floodlit tennis courts and rugby, cricket and football fields, also floodlit. Harrow Bangkok has its own lake, used for a variety of water sports and activities, including sailing, kayaking, wake boarding, dragon boat racing, adventure races and raft challenges.

WELCOME TO THAILAND COUNTRY BACKGROUND

Thailand is a country on Southeast Asia's Indochina peninsula known for tropical beaches, opulent royal palaces, ancient ruins and ornate temples displaying figures of Buddha, a revered symbol. In Bangkok, the capital, an ultramodern cityscape rises next to quiet canal and riverside communities.

Thailand is a wondrous kingdom, featuring Buddhist temples, exotic wildlife, and spectacular islands. Along with a fascinating history and a unique culture that includes delectable Thai food and massage, Thailand features a modern capital city, and friendly people who epitomize Thailand's 'land of smiles' reputation.

USEFUL INFORMATION FOR TOURISTS

Visa Information

Thailand is a welcoming country for visitors. Currently, there are 48 countries that are not required to obtain a visa when entering Thailand for tourism purposes and will be permitted to stay in the country for a period of not more than 30 days on each visit. To see the full list visit: <http://www.thaiembassy.ca/en/visiting-thailand/visas/tourist-visa-exemption>

Currency and ATMs

The unit of currency in Thailand is Baht. Cash is easy to withdraw from ATM's as many global banks have partnerships operating out of Thailand. Alternatively, you will find many currency exchange bureaus at the airport as you arrive. These are situated immediately after the baggage reclaim area.

As a predominantly cash country, you will find ATM points in most hotels and shopping malls. Harrow International School also has a Siam Commercial Bank (SCB) ATM point located on the campus. Overseas cards may be subject to charges.

Taxis

If you are planning to take a taxi, please ensure you carry small denominations of bank notes (20, 50, 100 baht notes) as drivers are unlikely to provide you change from 500 and 1,000 baht notes.

The use of Toll Roads is common and usually the fastest way to get about. If you are in a taxi, the driver will ask you to pay for the toll directly. This is common practice and is not added to your final fee.
