Harrow School Of Witchcraft and Wizardry (Reception-Y2/Ages 4-6 yrs) : Mr Gary & George

You have been accepted to join Harrow Bangkok School of Witchcraft and Wizardry. Which magical House will you be sorted into? Come and be part of this magical world - discover new and fantastic beasts then compete for the Quidditch Cup. Potion class will go off with bang and you will learn magic spells in Defense Against the Dark Arts. Protect yourself with charms and runes before our Graduation ceremony and House Cup!

Schedule: Week 1 (9th – 12th April 2018)

	Monday	Tuesday	Wednesday	Thursday	
1	House Sorting- Children will be sorted into their magical Houses and then team up to write their own chant for their wizarding house. Will you be a brave Gryffindor, a wise Ravenclaw, hard-working Hufflepuff or an ambitious Slytherin?	Potion making - measure out the ingredients accurately to brew the perfect potion! A variety of challenging brews to test your potion making skills!	Transfiguration- Learn the secret art of transforming objects using both magical and scientific knowledge. Can you turn milk into slime? Can you blow a balloon up without any air?	Charms - use your choice of magic runes to make a protective bracelet or talisman to ward away those dark wizards.	
2	Fantastic Beasts and Where to Find Them - Read the brilliant works of Newt Scamander, and his detailed descriptions of the many different magical and mystical beasts that exist in our world. Create your own magical beast before writing a page entry for a new beasts book.	Defense Against the Dark Arts - Learn some of the most powerful spells from Hogwarts - even invent some of your own using your phonics skills! Dual with a partner!	Magical Pets - Create your own magical companion using Modrock. Will you make an owl, toad, cat or a rat? Read passages from the Harry Potter Series while it dries.	Ancient Rune Treasure Hunt - Crack the ancient rune code with logical thinking skills! Discover the ancient treasure.	
3	Quidditch - Children play the ground level version of the game. Who will catch the Golden Snitch and win the game for their team? (Builds teamwork, cooperation and organisational skills)	Compete for the House Cup - House dogeball and team games - build team spirit with these wizarding House competitions.	Animation Magic - Bring those pets to life! Use a wealth of magical resources to really finish off your pet, and give them a magical feel. Compete with your new sidekick to earn even more points for your house!	End of Year Graduation - Which House will win the Quidditch Final? After the winners on the pitch are announced, come back into school for the graduation ceremony. Look back at your amazing time at Harrow Bangkok School of Witchcraft and Wizardry and the House Points winners will be announced.
