REMEMBRANCE DAY

Mr Downs led the whole village in a short service to mark Remembrance Day on 11th November.

The community was encouraged to think of three people they appreciated and express their thanks on that day.

Harrow International School Bangkok

BRADBYS

LOY KRATHONG 2016

Miss Linda organised for Bradbys to make Krathongs during an afternoon activity. It was wonderful to see the boys working together to create their own Krathongs, as well as creating some for others too.

After Prep time we all went down to the lake and floated them onto the water and discussed the importance of the festival.

LOY KRATHONG 2016

Leadership for a better world

BRADBYS

BRADBYS AWARD

The initial stage of the Bradbys Award has taken place. All the boys have selected 5 'skills' that they are able to currently perform and 5 that they want to accomplish before the end of term. Lots of the Boys have chosen cooking skills and it has been great for staff who are having cups of tea and toast prepared for them! In term 2 we shall focus on developing the outdoor skills related to camping. This will ensure the boys are well prepared for their expeditions.

Pol, Sor, Rafael and Josh have already been brushing up their cooking skills by making Sunday Brunch which included scrambled eggs and pancakes! Youtube clips and Anna were on hand to ensure that everything was edible!

Our 3 tortoises have been enjoying an upgrade to their accommodation. Mr Roo, our local carpenter has built a far bigger home for them. It is now located outside the front of Bradbys as we noticed that tortoises can smell quite a bit!

Next week we shall be following our 'Military Week' schedule. This is to ensure the boys are maintaining high standards of tidiness and being organised.

BRADBYS

PIZZA MAKING

The Bradbys recipe book is steadily growing and now has a pizza section!

Charlotte organized the ingredients and Ong, Jedi, Tle, Oat, Phi, Third and Gigi made and ate the yummy creations!

They did also cause one of the smoke detectors to go off, so still some way to go before anyone can be called Gordon Ramsey.

SWIM FEST 2016

We are very proud of Ajay, Joey and Tonsom for representing the school at the Swim Fest last Sunday.

The boys are incredibly dedicated by organising themselves to train at 6am, as well as also returning to the pool at 4pm to ensure they are being the leaders of the squad.

DRAGON BOAT RACE

It was fantastic to see so many of our boys representing their Day Houses the Dragon Boat races last week. Aim, Andy, Rafael, Brian, Phi, Taipan, Pun, Henry and Josh all contributed valiantly!

Congratulations to Keller House for their overall victory
